# Find a COVID-19 testing site quickly and easily

**During this time of uncertainty, you may be unsure of how and where to be tested for COVID-19. We can help.**

## Your Anthem Blue Cross Blue Shield plan covers COVID-19 testing

COVID-19 testing and the associated visit to the testing site are covered, and you will have no out-of-pocket costs to worry about. It's important that you talk to your doctor before going to a testing site. Your doctor must order a COVID-19 test for you, to be sure the test is necessary for diagnosis and treatment.

## Find a testing site on anthem.com or the Sydney Health mobile app.

Both of these options have a list of nearby testing sites with addresses, phone numbers and map links.
