Benefit exclusions

Like any insurance, this life and AD&D insurance policy does have exclusions.

For life insurance, a suicide exclusion may apply.

For AD&D, benefits won't be paid if death/dismemberment occurs as the result of:

- War, declared or undeclared, or any act of war
- Intentionally self-inflicted injuries, while sane or insane
- Suicide, or suicide attempt, while sane or insane
- Active participation in a riot
- Committing or attempting to commit a felony
- Disease, bodily or mental illness, or medical or surgical treatment thereof
- Infections
- Controlled substances voluntarily taken, ingested, or injected unless prescribed or administered by a physician
- Serving on full-time active duty in the armed forces of any country or international authority
- The presence of alcohol in the covered person's blood, which raises the presumption that the covered person was under the influence of alcohol and contributed to the cause of the accident

This is an incomplete list of benefit exclusions. A complete list is included in the policy. State variations apply.

Reminder: Please review your beneficiary(ies) to ensure that they're up to date. It's good practice to review, and if necessary, update your beneficiary(ies) annually.

Controlling provisions are provided in the policy, and this summary does not modify those provisions or the insurance in any way. This is not a binding contract.
