

The fastest way to search the Anthem.com Find A Doctor tool for KeyCare PPO & National BlueCard PPO participating providers.

1. Go to <https://www.anthem.com/>
2. From the top of the tool bar, click on **“Individual & Family”**.
3. On the next screen in the **“Care”** section, click on **“Find A Doctor”**.

4. On the Find A Doctor landing page, the fastest way to find a PPO provider is to **use the Anthem Member ID card three letter alpha prefix code** that is listed on the Anthem ID cards.
5. Since you are not yet enrolled, use out standard three letter alpha prefix **“YTP”** for the **KeyCare PPO & National Bluecard PPO** participating provider network. The system will automatically only search for providers that are Keycare PPO/National BlueCard PPO participating providers. You will have an opportunity to put in your zip code once the search screen comes up.
