RESET FORM

Date: _____

When properly completed, this will authorize the employee named below to purchase a pair of prescription industrial safety glasses from a provider of the employee's choice. Only one authorization will be provided per year. The costs will be reimbursed as follows:

- a. Up to \$180.00 for single vision safety lenses with safety frames.
- b. Up to \$195.00 for bifocal/no-line progressive bi-focal safety lenses with frames.
- c. Up to \$210.00 for trifocal/no-line progressive tri-focal safety lenses with frames.

It is the responsibility of the employee to pay for all eye examination and fitting costs. Note that all safety eyewear must comply with ANSI Z87-1989 standard.

If an employee obtains safety eyewear at NRAO expense, the employee is **required** to wear them while on the job and is encouraged to wear them off the job.
