NRAO-NM Emergency Notifications

Visitor Opt-in Instructions

All guests to NRAO-NM facilities may opt-in to our emergency notifications platform, Rave Alert. This will ensure you are notified of any emergencies while visiting our facilities.

To opt-in to SMS (text message) alerts follow the instructions below:

1. Text the keyword, **nraoalerts**, to the 67283
2. You will receive the following message:

“Thanks for signing up for NRAO Alerts!”

“Welcome to nraoalerts, Reply LEAVE nraoalerts to Leave this list, STOP to Stop all Msgs, HELP for help. MSG& Data Rates May Apply. Message freq may vary.”

To opt-out of alerts:

1. Text **LEAVE nraoalerts** to 67283.
2. You will receive the following message:

“You have opted out and will no longer receive nraoalerts SMS alerts. To reactivate alerts, reply with nraoalerts.”

All visitors will be unsubscribed automatically after 30 days, with notification.

IMPORTANT:

- Notifications may be generated from any of the following short code numbers 226787, 67283, 78015, 81437, and 77295.
- All notification will begin with the ‘NRAO Alerts:’ introductory text.
- Contact nmreserv@nrao.edu with any questions.

By subscribing to this list, you may receive notifications for all NRAO-NM facilities including:

- Domenici Science Operations Center (Socorro)
- The Very Large Array (VLA)
- NRAO Guest House (NMT Campus)
- NRAO Albuquerque Office
- VLBA (various sites/locations)
